Close Date :

Dear Hiring Committee,

Dear Hiring Manager,

I am writing to express my interest in joining your esteemed organization in any suitable position that aligns with my qualifications and experience. I am a Bachelor of Computer Science graduate from Kandahar University with more than three years of professional experience in Information Technology (IT), software development, database management, networking, system administration, and technical support.

My expertise includes **Full-Stack Web Development** using **Laravel, PHP, HTML, CSS, JavaScript, Bootstrap, MySQL, SQL, REST APIs, and Git/GitHub**. I am also proficient in **Python, Java, C, C++, and C#**, with a strong foundation in software engineering, database design, and application development. Additionally, I have practical experience in network administration, IT infrastructure management, database administration, and troubleshooting computer systems.

During my career at the **Afghan Learning Aid Organization (ALAO)** and **Sial Curative Hospital**, I managed IT systems, maintained databases, provided technical support, prepared reports, supported administrative operations, and ensured the reliable performance of computer and network systems. These roles strengthened my technical, analytical, communication, and problem-solving skills.

In addition to my technical expertise, I am highly skilled in **Microsoft Office, CorelDRAW, Adobe Photoshop, Canva**, technical documentation, and digital record management. I am a dedicated, adaptable, and results-oriented professional who is committed to continuous learning and delivering innovative technology solutions.

I would welcome the opportunity to discuss how my skills, experience, and enthusiasm can contribute to your organization's success. Thank you for your time and consideration, and I look forward to hearing from you.

Sincerely,
Hijratullah Aryan
